Gull River Floods - Threatens Some Homes In Village

With the rising waters of the Gull River, the Clerk-Treasurer's Office of the Townships of Anson, Minden and Minden has been deluged with telephone calls from concerned residents on Anson Street and North Water Street along Gull River.

Basements, garages and field tile beds have been inundated with the excessive Spring runoff and the heavy rains of Sunday, Monday and Tuesday have added to the flood problem. Sanitary facilities of several homes have been threatened. Part of Anson and North Water Streets were covered with water at the time of writing.

Mr. Richard Parisotto, Clerk-Treasurer of the Municipality, reported that all the lake levels in the area are up considerably over last year. Pressure is being put on the Orillia Water, Light and Power Commission and the Trent Canal System who jointly control the water levels, to relieve the problems in anyway possible. Several long-time residents of Minden recall greater floods many years ago and the existence of the dam north of Minden is credited with preventing the situation from reaching crisis proportions.

Road washouts, throughout

the Municipality have kept the Public Works Crews busy with the repairs. Bursting beaver dams have played havoc with many culverts. Highway 519 is covered with water in a number of sections.

The weather has been forecast as unpredictable and it is hoped that a break in the heavy downpour will occur soon.

CARMAN WRIGHT NEW PRESIDENT OF CHAMBER

At a Directors meeting of the newly appointed Board of the Haliburton Chamber of Commerce on Tuesday night, May 16th, Mr. Carman Wright was a unanimous choice for President for the 1972-73 season.

An election of five candidates ran for Vice-President with Mrs. Barbara Dawson being elected.

This is the second time Carman Wright has been President, he served in this position in 1970 - 1971. He has been a particularly strong member over the years, of the Chamber and will know doubt add much strength to the Presidents chair.

This was the first meeting of the new board of Directors, and from enthusiasm shown, it is expected to be a very successful and busy term of office.

SHRINERS HERE TAKE KIDS TO CIRCUS

Local Shriners took the grade 5 students on their annual trip to see the famous Shrine Circus held in Peterborough. The bus for the trip was donated by Dave Stamp Bus Lines. Dave has been very generous over the years, working with the Shriners here to make this trip a very successful one.

The Circus was held on Tuesday of this week. Every year it is looked forward to by the students at the Archie Stouffer Public School.

KINSMEN BEERFEST THIS WEEKEND

Make it date to go to the 'BEERFEST' this Saturday May 20th. at 7:00 p.m. at the Curling Rink. This 'Beerfest' is sponsored by the Kinsmen Club of Minden and they will promise you a good time.

A German Oompa Band will entertain you, so come and join in the hoopla and help support your Kinsmen Club.

LOOKING FOR SOMETHING INTERESTING? TAKE IN THE TRILLIUM FLEA MARKET

Have you had a good look in your attic lately?, or the cellar? —or that overcrowded spare room?. What's that at the back of your closet? Do you have a hobby you are proud of? What about that wedding gift Aunt Samantha gave you ten years ago, and you haven't found a use for it yet? Would you like to turn those unused items into good solid cash? Knick nacks new, or old; antiques; china; furniture; clothes if you think it is sellable bring it to the Trillium Flea Market this weekend at the Haliburton Arena. You'll have fun, and maybe make a good profit, too.

You can bring it into the arena in your car, on your trailer, in a small truck. Rent a booth for the reasonable rate of \$7.50. Set up your display and you are in business for the day. The arena doors will be open at 9 a.m. for those who would like to sell. Booths will be allotted on a first come, first choice basis. You can contact Frank Dunsford, Ingoldsby, at 286-1423 for full information. What if the items you have to sell are too few, or too small to warrant taking a booth?

Don't let that stop you. Put your article in a suitable container, bring it to the main booth, and it will be sold for you for 10 percent. And if you have nothing to sell? Come to buy! Need something for the cottage? It may be there. Your neighbours white elephant may be your treasure. If you don't like the price, make a counter offer. Those who have booths in the Flea Market anticipate the fun of haggling with their customers.

The doors will be open to the buying public at noon. Come early and get the good bargains. The Haliburton Rotary Club will be holding their Annual Auction at one end of the arena floor. The refreshment booth will be open and ready to serve one and all from noon to 6 p.m. General admission is just 25 cents. Three door prizes will be drawn during the afternoon, at 2, 4, and 6 p.m. You may be the lucky winner. Help to make it a fun day for everyone. Come to sell — come to buy. Come to greet our visitors and cottagers with a great big welcome back smile on your face. Its trillium week-end! And the Flea Market is open!

GRADE SIX STUDENTS VIEW ART SHOW

Mrs. Denzil Cox took her grade six class to view the Art Exhibits of Mary Schneider being shown at the Hyland Crest Home.

Mrs Cox had her pupils write an account of their visit. The following are a few of those stories.

On May 8th, the 6A classroom had the opportunity to walk over to the Senior Citizen's Home, where we met Mrs. Palmer to go in and look at Mary Schneider's famous paintings.

As we walked in I was astonished to see how well they were set up, and how the colours did glow. They looked so real, as if we were standing in front of the object itself.

The show of these paintings will be here for two weeks, so make it a point to go and see the paintings I have seen.

Charlene McIntosh

On May 8th we were invited to the Senior Citizen's Home to an art exhibit.

Mary Schneider's paintings are very accurate and lovely. She has made some of the buildings and flowers look so real you'd expect to see the flowers blowing in the wind and you'd expect to see people going in and out of the buildings.

Go see her art. You've never seen anything like it before in

Minden!

Heather Gostlin

As I walked into the room I could see some of the beautiful Art Mary Schneider had done. I bet she was happy to get the letter from Rowland Michener from the Queen. Not many people have the talent to be able to draw so well. I am glad that she is a Canadian Citizen.

OPEONGO FOLK SINGERS WILL BE PERFORMING AT HYLAND CREST, JUNE 3

The Opeongo Folk Singers from Opeongo High School, R.R. 1, Douglas, Ontario, will be performing at Hyland Crest Senior Citizens Home in Minden, on Saturday June 3, at 7 p.m. The group consists of 20 high school students and 3 teachers. Opeongo High School serves a large rural area of Renfrew County including the three towns of Cobden, Douglas, and Eganville. These students represent a cross section of the young people of Renfrew Valley. The group has been very active the last few months singing at various church services of every denomination and variety concerts through-out the Valley. This group of young people is in great demand because they enjoy singing for the love of sing-

wages be increased to \$45.00 per week from the present \$42. paid in 1971. Carried.

Moved by Richard Parisotto seconded by Muriel Welch: that the grants to Minden Figure Skating Club and Minden Minor Hockey be set at \$1,500 each for 1972 only and that each organization be emphatically advised that this grant is made only due to the fact that no arena was available in Minden. Carried.

ing. See and hear about Renfrew County in picture and song. You will hear Folk, Country, Modern, Spiritual and Traditional songs. The Opeongo Folk Singers and Hyland Crest extend an invitation to the public to come and sing along.

In addition, they will be participating in the service in Haliburton United Church on Sunday June 4th. The Opeongo Folk Singers is under the able direction of Mr. Walter Hobden formally of Haliburton.

HALIBURTON HUSKIES RE—ORGANIZE UNDER NEW EXECUTIVE

The Haliburton Huskies Junior Hockey Club that has been operated under the sponsorship of Albert LaRue for the past 7 seasons has a new sponsor and executive for the 1972-73 season. Since the Dysart Recreation Committee were anxious to continue with Junior Hockey at the local arena, they have decided to underwrite the club for the coming season and have appointed an executive to operate the club for the coming season. Mr. Ken Wilson, well known former manager of the Bank of Montreal and hockey enthusiast will assume the coaching duties and will be assisted by

Brian Black coach of the 1971-72 Midget finalists. Mr. Gerald Hicks has accepted the position as manager for the coming season.

The executive members will be Joe Iles as chairman, Scotty LaRue as secretary, Jim Scheffee treasurer and Mark Schell and Don Lloyd as directors. Mr. John Consack who is presently the chairman of the Dysart Recreation Committee will act as an ex-officio member. There will be further meetings in the near future to arrange transportation and financing for the initial season. The team will be part of the community and if anyone feels that they would like to help with the club either in a financial way, or in a working capacity, please contact one of the members of the executive. It is up to the people in the Haliburton area to make the club a success, and the executive are looking for local support.

LETTER TO THE EDITOR

Minden Ontario
May 13th, 72

Dear Sir:

We are very much surprised to read the notice in your valued paper re: the garbage dump at Ingoldsby. It seems that the residents including the summer residents on the lakes are required to take their refuse seven or more miles to a new dump near Minden. We are also told this can be done on Wednesdays when we cannot shop on Wednesdays, also we are allowed to take it on Saturdays and Sundays.

Do you agree that this creates a hardship on residents on the lakes that can come only on weekends plus perhaps a short vacation? All these people contribute to the taxes of the area. We do not like to think that a lot of refuse will be left at the sides of roads. Will provision be made to collect this, if this happens? I suggest that the situation be reviewed in an effort to find some other solution. Wishing your excellent paper continued success.

Yours truly
Louis Coates

COTTAGERS FIND MANY BREAK-INS

The first real warm spring weekend saw a lot of people head into Haliburton County cottage area, but for some their arrival was not all that could be desired.

Provincial police at Minden reported breakins were not concentrated in any one particular area but were reported from cottage owners on the shores of several lakes such as Kuhog, Canning Mirror and others.

Police said there is nothing sensational about the incidents, nor could they be considered a 'rash' of breakins. They said it was normal for people who have been away from their summer homes all winter to find some of them have been broken into.

O.M.B. APPROVES ARENA

It was like music in their ears, for those who have worked hard raising money and promoting a new arena, when it was announced this week the Ontario Municipal Board approved of the under-

taking, expenditure and borrowing proposed by the Council of Anson, Hindon and Minden.

It was seven years ago this month, the Progress paper said editorially, Minden needed a new arena, and was prepared to keep promoting the idea till, one was constructed. A committee was formed in January of 1969 to get a new arena under construction — but, in August of that year, when politicians met from Lutterworth, Stanhope, Anson, Hindon and Minden and Snowdon and decided to hold a vote, it was defeated. The Progress had already sponsored a walkathon which raised some \$5,000 which had to sit in the bank collecting interest until two years later a new committee was formed, to get the ball rolling once again. Another walkathon was held, a fund raising committee was established and some \$65,000 was raised from June of 1971 to the present.

Now all the work and effort made by a great many people is drawing near to a successful and happy ending. With \$65,000 cash in the till, government grants set at \$35,000; \$153,000 to be sold on debentures, a new arena and recreation centre will soon be built at the Fairgrounds for a total of \$253,000.

Talking to Richard Parisoto, Clerk of Anson, Hindon and Minden, on Monday of this week, he said, "Council must now pass the debenture by-laws and tender for contract, once this is done, construction can begin."

Council has unofficial consent from the Ontario Municipal Improvement Corporation for the sale of the debentures to that agency. The O.M.B. must also pass the debenture by-laws, before they can be sold. This however is only a matter of formality. Interest of course can not be set until the day the debentures are passed.

The present arena was closed for public use in September of 1971 by the Arena Board. Minden was without ice facilities all of last winter and organizers of minor hockey and figure skating, worked under very adverse conditions for the entire winter. Hope is now restored for this coming season, as officials of the Highland Recreation Committee feel the new structure will be under-way by the first of July and completion is slated for the 1st of November.

When the arena is built, it is without question many facilities will be needed to make the building completely functional inside — the Fund Raising Committee still is in hope of more funds coming in for these purposes. The Rotary and Kinsmen have lent a big hand towards the fund drive, financially, and probably can still be counted on for some finishing touches, when needed.

Council has asked the Clerk to advertise in the Municipal World Magazine for tenders on the old arena. Council has not set a price on the old wood and tin building and no reserve bid has been established either. It would be quite an asset to Minden if the present space occupied by the old arena was turned into parking.

A reminder to all members of the Highland Recreation Committee there will be a general meeting held in the Municipal building on May 23rd, at 7:30 p.m. Ron Harrison of Peterborough is the Engineer for the new arena and complete plans will be available at this meeting for anyone to view.

In their world, we're No.1

Among fishermen, no other outboard outsells ours. Maybe that's because no other fishing outboard outperforms ours.

Take our 9½. We made it whisper quiet because you'd rather hear the sound of the outdoors than the outboard. We gave it a stylish, low silhouette so you can fish over it, not around it. We added an automatic trolling adjustment, so you can concentrate on fishing, instead of navigating. And we built in 8 separate tilt-out positions so that your outboard

can take you everywhere the fish go, including the weeds and shallows.

If you take your fishing seriously, you'll appreciate what we've put into the 9½. And with speeds up to 20 mph., you'll get a lot of fun out of it too!

The Evinrude 9½ is just one of the outboards in the world's No. 1 fishing line. See it along with our 2, 4, 6 and 18 hp. models at your Evinrude dealer's.

See the complete Evinrude line, 16 models from 2 to 125 hp., at your dealer's now.

In last weeks column I gave the seasonal membership fees for men at Beaverbrook at \$60.00. This was incorrect, it should have been \$65.00.

The fishing season is now well under way with many Speckles, Rainbow, Smelt and Suckers being pulled in. The only luck I've had on three or four excursions to the river bank is a few Suckers for the garden as fertilizer. One of my neighbors, fishing off her dock a few yards down the road from my place pulled in a beautiful 2 pound Rainbow last week.

If this rain keeps up, I'll soon be able to stock my back yard with trout and make a fortune. This will probably be the only way I'll ever catch a trout in this country.

You know folks, Minden has some of the best fishermen in this Province. We also have three or four bad ones. Last week Lloyd Ackerblade and myself managed to retrieve 27 dead Suckers off the bottom of the Gull River at Beaver Creek. These fishermen and I hesitate to use this phrase for these individuals, caught these fish, killed them and then tossed them back in the river. Many of these Suckers had already started to decay. I find it hard to believe that there are people around who would do this when they are fully aware that there are families in Minden who are still relying on this river water for drinking. The sooner these individuals are caught the better. It is people like this that have caused other areas of this province to ban Sucker fishing altogether.

On the brighter side, how about those Toronto Metros. They came up with their second straight victory of the season Sunday with a convincing 1 - 0 victory over defending champion Dallas Toronado. This years Metro soccer team seems destined to make the play-offs and may even capture first place. They have a more disciplined team this season and are an exciting team to watch with great speed. You'll be able to catch the Metros in action soon on Saturday evenings.

The new entry from Toronto in the Pro Lacrosse League the Toronto Shooting Stars are also off to a great start. They picked up their first victory of the season last week with a 21 - 16 win over defending champion Brantford Warriors.

The Montreal Expos ended a four game losing streak last Sunday with a great 9 - 3 pasting of the San Deigo Padres. The game featured two homers by the Expos as well as three doubles. Mike Torres the winning pitcher (now 3 - 0) seems to be another great trade that is paying dividends for Gene Mauch. The win enabled the Expos to remain firmly entrenched in third place behind the Mets and Phillies.

The new Stanley Cup Champions for 1971-72 are the Boston Bruins. Big Surprise — Bobby Orr won the Conn Smythe Trophy as most valuable player, another big surprise.

Don't forget the Progress Open Golf Tournament, coming up on June 4th and 11th. All cash prizes, entry is \$10.00 which includes green fees on both Beaverbrook and Blairhampton golf courses.

Thats it for this week folks. Softball season begins next week (if it ever stops raining) lets have all you fans out and support our two teams the Merchants & Raiders.

Mr. Martin serves as special consultant to Avco Financial Services. All questions should be sent to him at P.O. Box 5875, London Ontario, Canada. Those containing a name and address will be answered in this column or by direct return mail. No names will be used in print.

As the vacation season hits us again, I'm sure there are many people who would dearly love to get away for a long trip but are worried about how their affairs at home will be handled.

Who will pay the bills that will still come due such as car and house payments? What hap-

pens to the mail? How can I protect my home for such a long time while I'm away?

These are just some of the questions that keep many people from taking that nice long vacation that they've been thinking about. The answers? Well, here are a few.

First, your home. If you don't have friends or relatives who you trust to keep a good eye on your home while you're away, would you consider renting it? The best insurance against burglary is an occupied home.

If not, various burglar alarm systems are available, of course or you can even hire professional house-watchers who can also take care of picking up

your mail. In any case, you should always notify your police department of the date you'll be away and give them the name and address of someone who will be looking after things.

If you have no house-watcher, you'll need to give the postal authorities some forwarding address for your mail since most post offices won't hold it more than 30 days. As far as bill paying, if there is no friend or relative to handle this for you, arrangements for such payments from your account can generally be made with your bank. Your bank's trust department can also guard your investment portfolio and collect dividends.

Leave a list of such vital information as the location of insurance policies, wills, safe deposit boxes, deeds, etc., with a relative or your bank.

With such planning, you can enjoy that long trip and test an arrangement for extensive travelling during your retirement years.

REAL ESTATE MEMBERS ATTEND SEMINAR

Members of the Lindsay-Haliburton Real Estate Board travelled to Oshawa on May 5th to attend a seminar sponsored by the regional board, which consists of seven boards in this area.

This seminar was aimed at furthering the education of sales agents and brokers and featured Fred Palmer, a renowned speaker, for the day. The seminar was well attended by area members.

Officials of the Ontario Real Estate Association were also in attendance to give reports to the members of current real estate trends. Mr. G. A. Grisdale, president of O.R.E.A. speaking briefly to those attending.

CANADIAN POLICE WEEK

In the peaceful enjoyment of all that is fine in our modern society, the part the police have played in bringing about that pleasant state of affairs is too frequently overlooked.

Policing in Canada has built up a proud tradition. It commands the respect of all who consider the rich variety of ways in which those who support the role of law go about their business.

Today, as never within our lifetime, respect for the rule of law is in urgent need of revival. This can best be achieved by a better public understanding of the law enforcement process itself, exemplified as it usually is by the police function.

This being the case, it is my pleasure to extend an invitation to the public to visit with their Ontario Provincial Police Force during police week.

to attend a semi-annual, three-day circuit assembly.

The event is to place emphasis on delegates being conscious of their own spiritual needs and also serving the spiritual needs and also serving the spiritual needs of others in their home communities.

Explaining the priority gain to spiritual counselling, Mr. Zwiadk, the local presiding minister, noted the challenges daily presented to Christian thinking and to mental and emotional security in a fast changing world. He cited a need for greater availability of personal spiritual assistance, less formal and more specific than the traditional Sunday service.

The Witnesses' answer is home Bible studies offered free of charge or obligation to persons of any conviction. The Lindsay seminar will concentrate on methods of conducting such home Bible studies.

The scene of the three-day event will be the Lindsay Collegiate and Vocational Institute. Approximately 60 local delegates plan to attend. Highlight of the event will be a timely discourse by District Supervisor Joseph Scaglione, 'Are You Marked for Survival?' The public is invited.

Saturdays from 9:00 a.m. to 6:00 p.m.

Sundays from 9:00 a.m. to 6:00 p.m.

Any dumping outside of the landfill area will be prosecuted in accordance with the existing legislation.

Residents are requested to cooperate with the attendant at the Disposal Site.

S. Weiss,

By-Law Enforcement Officer.

HIGH SCHOOL STUDENTS VISIT OTTAWA

On April 24 and 25th, 77 grade 10 students and 4 adult supervisors from our area travelled to Ottawa for an educational tour. The students stayed at the Lord Elgin Hotel in downtown Ottawa and travelled around the city by bus touring points of interest during their two day stay. Places visited were the Royal Mint, the National Archives, the Museum of Science and Technology, The War Museum, The Air Force Museum and the Parliament Buildings. At the Parliament Buildings, the students observed a rather lively session with both opposition leader Robert Stanfield and N.D.P. Party chief David Lewis making rather spirited presentations. The Prime Minister was also present. Mr. Bill Scott, M.P. for Victoria-Haliburton, was on hand to bid the students farewell on their departure from Parliament Hill. Mr. D. Robinson, chairman of History at H.H.S.S. and organizer of the trip, wished to point out that the students completely financed their own trip and he wished to congratulate the students on their fine behaviour and smart dress while visiting our capital. He pointed out that these students were certainly worthy ambassadors of our school and our county. He also wished to thank Miss B. Schleifer of the high school staff, Mrs. Ralph Young and Mrs. Bessie Burk of the community for their excellent work as supervisors and bus drivers Mr. Ed Skelcher and Mr. Bill Holland of Lindsay for a safe and pleasant journey.

ABOUT THE TOWN

With Jeanne Sears

There is an attractive display of Dutch Imports and Products of different Countries of Europe in the shop beside the bank, owned and operated by Allin Cooper. Souvenirs and gifts ranging in price from \$1.25 to \$120 are there. This shop will be open weekends until summer and then for a six day week. The supplier is Tymen Van Hatlern (a well-known Liberal) of Lindsay, the sales lady is Sharon Hughes of Toronto.

A company in Scotland now makes golf balls that beep. Finally the Prince may find his "beeping" beauty.

There was a special occasion when Lesley Ann Brydson of Toronto was baptized at Minden United Church and the grandparents Mr. and Mrs. Jack Brydson of Toronto and Mr. and Mrs. W. Moore of Minden were both present.

Mr. and Mrs. Vinton Loucks have just received word their son Leon, who is a Professor at University of Charlottetown, is flying to Oklahoma on Sunday to deliver an address there. Congratulations to a former Minden boy.

Mrs. Wm. Lilley of Norland is \$250 richer by winning the Jackpot at Rotary Bingo last Thursday night in 56 numbers.

We noticed that the Cemetary Board is considering building a Vault. This is surely necessary as those in neighbouring communities were used in past years.

The Executive of Minden Women's Institute met at the Library on Friday, May 5th to make final plans for the Bus Trip. The tickets will be available from Annie Kernohan. The fare includes admission to Ontario Place and a comfortable Algar Bus with all facilities, has been chartered. Included in the tour is a visit to Sharon Temple and Toronto City Hall. The evening will be spent at a Shopping Plaza. Come along ladies and have an enjoyable day.

There was a Pot Luck luncheon at St. Paul's Anglican Church following the morning service and a nice crowd enjoyed a social time.

There was shooting during Governor Wallace's campaigning in the USA and he is still on the Critical list. We heard there will be special security guards present in greater numbers than before.

Earl Hewitt spent last week at Guelph attending a course given by the Good Roads Association.

We wonder why business people park on the Main Street; there are other areas handy and it might be a convenience to customers to be able to park closer, especially older people.

Mrs. Don Hall underwent surgery a week ago at Toronto General, we hope she has a speedy recovery.

Our much-needed rain has come and the river is much higher, now with warmer weather, growth should be normal for the season.

Cheerio until next week.

MINDEN FAIR HAS MANY NEW FEATURES

In August of this year, Min-
den will again host the annual
County Fall Fair. This year's
Fair will be a two-day event.

A number of changes and
additions have been made that
should increase the enjoyment
of participants and specta tors
alike.

Along with the regular pro-
gramme, the Minden Agricul-
tural Society offers the follow-
ing preview of events.

On Saturday, for your musi-
cal enjoyment, Mr Jack Bailey
And The Baliffs will entertain
in the afternoon and host the
Amateur Contest. From 9 p.m.
until 1 a.m. this same group
will provide the music for a
dance.

All Light Horses will be sh-
own in a separate ring this
year. The new Lighthorse
Committee extends a special in-
vitation to owners of riding hor-
ses to come and participate in
the games events that are being
introduced at this fair for the
first time.

A Queen will be chosen from
the 16 to 21 age group. This
lucky young lady, representing
our County, will go on to a
'Sweetheart of Ontario Fairs
Queen Contest' held at Lindsay
in October. If her luck and tal-
ent hold out, she could become
'Miss C.N.E.' receiving, among
many other prizes, a cash a-
ward of one thousand dollars.

The Rotary Club of Minden
will be holding a Bingo, Satur-
day afternoon, on the Fair
Grounds.

A group known as the Inter-
national Stunt Drivers, who per-
form Gymnastic feats with cars
will put on a one hour show on
Saturday and a two hour show
on Sunday. Also on Sunday a-
nother new event offered for
the first time is the One-Horse
Draw.

In the Exhibit Building, new
classes in Arts and Crafts, Lad-
ies Work, Flowers and Photog-
raphy, will be on display.

Between now and August 26th
and 27th, this paper will be
carrying further details on all
events. We hope this informa-
tion will enable you to prepare
your entries for the Minden
Fall Fair.

NOW HEAR THIS

by Lorna Rogers

Things keep getting earlier and earlier. The frost was hardly out of the ground this year when Grey Cup fever set in. For the first time the Canadian Football League asked for tenders for radio rights to the 1972 game, and they've been awarded to the CBC. So when football enthusiasts converge on Hamilton's Ivor Wynn Stadium on Sunday, December 3, CBC commentators and crew will be there, as they have been for two decades, to take the excitement and color of this popular Canadian classic to all the English and French-speaking fans coast to coast, in the far north, and in the Armed Forces overseas, who couldn't make it there to cheer in person.

CBC radio has also copped the rights to exclusive Canadian 'live' coverage of the 56th annual Indianapolis 500, the world-famous car race on the

Indianapolis Speedway, Saturday, May 27. CBC radio sports will provide non-stop coverage of the chills, and perhaps spills of the dangerous event, from start to finish, and for half an hour before the game will set the scene and present taped interviews with some of the drivers. The chief announcer will be Sid Collins. David Stone will be at Indie to report exclusively for CBC radio, and in the Toronto studios Bob Willson and Don Grey will provide further commentary.

Anyone who has the idea that poets, composers, playwrights, and Italia Prize-winners are slack muscled indoors types who couldn't run down to the mailbox without puffing like a grampus had better speak to CBC radio drama producer John Reeves, a wiry Torontonian who has all the talents mentioned above, as well as being an actor, conductor, and run-

ner extraordinary. He dropped out of running as a young man, took it up again in his late 30s, and now trains every day. On a recent business trip to Europe he was weekending in Prague when he heard of a cross-country race for veteran runners (over 40) at Podebrady, just east of the city. He entered, and won third place. 'But I'd had a mini tune-up in March,' he tells us, 'when I took part in what I believe was the first indoor marathon in Canada, at Hart House, Toronto. I completed the 26-mile course in what I call quite a respectable time for an old man.' In August he'll be a member of one of the Canadian teams at the all-British Championships in England, an international meet attracting contestants from all over Europe, Australia, and there'll be a large U.S. contingent.

If you think classical music is sometimes treated as if it had just lost its nearest and dearest, lend an ear to Neil Harris, who feels, like a lot of people that serious music is often taken too seriously. He's a Winnipeg musician, arranger, composer, conductor, writer, graduate architect, and former CBC producer, who is currently directing the Neil Harris Singers and Orchestra, and doing the musical arrangements, for CBC-TV's Doug Crosley Show. And starting soon on Sunday afternoon, probably May 21, he'll present concert music in lighter vein for easy summertime listening, under the title of Carousel. It'll be stuffy, bright relaxed. If you've never been completely sold on serious music grab a cool glass, put your feet up, and you may be surprised at how enjoyable two hours of 'serious' music can be.

COUNTY ROAD NO. 6 TO BE BUILT

The Minister of Transportation and Communications, has informed Mr. R. Glen Hodgson, M.P.P., today, he has signed designation required to provide for construction of Haliburton County Road no. 6. Agreement for development road designation will be signed with the County in the immediate future. County Road no. 6, is between and in the Villages of West Guilford and Eagle Lake.

APPROVAL FOR BRIDGE

The Minister of Transportation and Communications, today, informed Mr. R. Glen Hodgson M.P.P. that construction designation approval, has been granted by the Ministry, for bridge structures and approaches over the Gull River, on County Road no. 7, in Haliburton County. Agreement between the County and the Ministry will be entered into at once. This Bridge Structure is in the Village of West Guilford and on the road known locally as the Kennis Lake Road.

WINS NATIONAL AWARD AT SIMPSON - SEARS

PETERBOROUGH

JACK QUIBELL
Of Lindsay

The award was a substantial cheque presented to Jack recently by Mr. K. R. Ramsden — Gen. Manager of the Peterborough Store, on behalf of the Board of Directors, for a suggestion regarding carpet under cushions, submitted a while ago and adopted for use in Simpsons-Sears Stores across Canada. "Jack" is the first employee in the Peterborough Store to receive a national award.

When Shopping in the Carpet Dept., please be sure to ask for me

Jack Quibell
